1	<p>MINUTES OF THE PREVIOUS MEETING</p> <p>The minutes of the meeting held on 1 December 2005 were read and approved by members as a true record.</p>
2	<p>MATTERS ARISING</p> <p>MR stated to CT that the plinth base on the rails only extended to the fifth joint and that remedial work would be needed to extend the plinth to the sixth joint. CT stated that Securit might have found a solution to the power supply for the rails and that the base may need to be replaced or altered. JR asked MR if monies for improvements to the rails would come from the NJPC, and if so he wished to state his objections that Tattersalls and Family Ring bookmakers would be paying for part of the improvement. MR stated as the solution for power to the rails was still an hypothetical situation that he would monitor the situation with CT during the close season.</p>
