

**Bangor Local Joint Pitch Council**  
**Minutes of the Meeting of the Bangor LJPC**  
**Held on 23 October 2006**

PRESENT: N Pateman, NJPC (NP)  
J Chantler, Bangor Racecourse (JC)  
J Walmsley, NAB (JW)  
Apologies were received from John Lovell (RBA)

1. Previous Minutes

The previous minutes were approved as a true and accurate record.

2. Matters Arising

JC confirmed that the anchorage points in the grass ring were now in.

3. Open Meeting

NP reported that at the open meeting held at Chester on 23<sup>rd</sup> September:

The only comment that was raised was by one bookmaker who thought the number of books in the grass ring should increase from six. JC and JW could find no reasons to change this number.

4. Designated Numbers

It was agreed to keep numbers to the same levels as 2006.

|         |   |    |                    |
|---------|---|----|--------------------|
| Rails   | - | 4  | All meetings       |
| Tatts   | - | 37 | All meetings       |
| Outside | - | 24 | Sat/Sun/Evenings   |
|         | - | 18 | All other fixtures |

5. Any Other Business

JC told the council that she had had a request from the Tote to move the Tote betting unit in the grass silver ring, so that it could serve the chalets in Tatts as well as the silver ring. This would mean sighting the unit in an approved betting area and moving some of the silver ring pitches. LJPC to meet at the next fixture on 13<sup>th</sup> November to discuss.

***(This race meeting was abandoned but NP has since asked the top six bookmakers on the silver ring list, at a later fixture, and all were opposed to this idea. NP told JC and JW this and the LJPC are awaiting her comments)***

JC confirmed that admission prices would increase by £1 to £16 in the Paddock. Course enclosure prices are to remain at £7.
