

Jockey Club Racecourses – Bookmaker Liaison Committees

On behalf of all Jockey Club Racecourses, I would like to thank all on-course bookmakers who expressed an interest in joining one of the Bookmaker Liaison Committees. I was delighted with the number of applications, and the positive comments and feedback that we received during the process.

During the analysis of the applications, I was keen to ensure that we had representation from as many betting rings, at each course, within each committee. I am therefore delighted to publish the list of members below. If anyone wishes to discuss any of the individual committees, then please do not hesitate to contact me.

I look forward to organising the individual racecourse committee meetings over the next few weeks, and to a positive working relationship with all bookmakers in the future.
